Assistant Director, OOR

Assistant Director, ORE

New Air Force System for the Evaluation of Intelligence Reports

Reference: AFOIR-00-10

1. ORE concurs in the principle that field collection facilities should be guided by evaluations of reports prepared by those agencies who have primary interest in the subject matter of such reports.

2. This Office will endeavor to comply with the provisions of the reference within its capabilities and within its dominant fields of interest.

3. ORE requests that this principle be extended to insure that the USAF will evaluate CIA information reports covering subjects within the dominant fields of interest of USAF.
